# I Am the Good Shepherd

---

## We Prepare

What was to hold this enlarged flock together and supply the necessary protection from external enemies? Not enclosing walls but the person and power of the shepherd. The unity and safety of the people of Christ depend on their proximity to him. When they have forgotten this and tried to secure unity or safety by building walls round themselves, the results have not been encouraging. The walls have either been so comprehensive as to enclose a number of wolves along with the sheep..., or they have been so restrictive as to exclude more sheep than they enclose.
